## BAS STUDENTS SUCCEED

Gerry Garcia      Andrew Kimbrel

We know that our students continue to succeed after they leave Beaumont Adult School, but it is always great to hear firsthand about their successes in our local community.

Geraldine Garcia completed the CNA course in June of this year and now has joined the world of entrepreneurs by starting her own home health care business. If you hear about the Golden Arch Home Health Care business, you can be assured that they are well trained and highly qualified, after all, Geraldine trained with us.

Andrew Kimbrel, a recent GED prep student in Ms. Dungao's class, stopped by the school to let us know he had found a job at Braswell's Skilled Nursing facility in Yucaipa.
